

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

Gentlemen:

It should be obvious to you that the merger should be approved. Cable companies need a cost efficient competitor so they will stop their greedy rate increases. Not to mention giving the rural population access to hi-speed internet and locals. To me approval is a no-brainer.

Thanks.

Sincerely,
