The Honorable Rick Santorum  
Senator  
Widner Building, Suite 960  
One South Penn Square  
Philadelphia, PA 19107

Dear Senator Santorum:

I note that Echostar (Dish Network) is about to acquire Direct TV. They are the only two competitors in the satellite segment of the home entertainment market and the combination would be a disservice to viewers.

This is particularly true since Dish already provides poor service in my opinion and may cause a similar result from Direct TV.

I would hope that you would alert the Justice Dept. to review this matter carefully.

Thank you,

Ernest F. Stuehring
