

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

Please do everything within your power to block the merger DISH Network, and DIRECTV! There is precious little competition within satellite broadcasting as it is. As a rural subscriber unable to receive any channels by any other means I only have two choices between satellite providers right now. If those two merge, raise their rates, or reduce their service, I can't threaten to subscribe to the competition.. because there won't be any!

Sincerely,
