

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I am writing to urge you to support the combining of Direct TV and Dish Network, which I subscribe to. Living in Gloucester County I do not and never have had good reception from over the air stations. This merger will provide me and many others the option of having access to local channels as well as enjoying the savings afforded by using Dish TV. Competition among providers is the best way to keep cost down for the public, but it has to be a level playing field. Please help level the field

Sincerely,

Raymond Thomas
