

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I would like to say that if the two giant companies merge, then the ordinary people like us will suffer, cause it will not have the competition, as currently DISH have monopoly market for International channels which costs like (\$20) for a single channel. I would like Direct TV also compete with Dish for international channels.

Sincerely,
