Chairman  
Federal Communications Commission

Washington, D.C. 20554

Dear Chairman Powell:

After canceling another dish service and waiting a while for the St. Louis feed, it has now been taken away from us. We depend on this feed to keep info on the doings of that city, as we have our children, grandchildren, family members and friends still there. We retired from there 5 years ago. Please if you can do anything at all to bring this St.Louis feed back to us. We can't get any local channels here and they won't put us in cable up here, we are too far out.Help us get it back.The Watkins

Sincerely,

Bob Watkins Watkins
