

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I feel that the merger will NOT benefit rural America at all. In fact it will eliminate competition from my market area, as no cable company will supply service to out lying areas such as where I live. I will receive no additional benefits from the merger, other than price gouging by the new entity. The cost savings may not exist at all as spelled out in the documentation provided by this web site.

I would therefore have no choice other than to discontinue service all together. Please do not allow this merger to take place.

Sincerely,

John Wegmann
