

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

We are presently DISH customers. We live in a small ranch estate community in far north Dallas, TX and have no access and will not have any access to any high speed internet access for a very long time, if ever. The availability of the high speed service through DISH would be wonderful because this is about the only way it will ever be feasible for any of us out in the country.

Sincerely,

Donna Younglove
