Re:  Ex Parte Presentation – In the Matter of Application for
Consent to the Transfer of Control of Telemundo
Communications Group, Inc. (“Telemundo”) from Its
Shareholders to TN Acquisition Corp., File Nos.
BTCCT-20011101ABK, et seq.

February 7, 2002

Dear Ms. Salas:

In accordance with Section 1.1206 of the Commission’s Rules, 47 C.F.R.
§ 1.1206 (2000), and the Public Notice released on November 16, 2001 (DA 01-2689),
announcing that the above-referenced applications (collectively, the “Application”) will
be accorded permit-but-disclose treatment, National Broadcasting Company, Inc.
(“NBC”) submits this letter to report that on February 5, 2002, Jay Ireland, Lawrence Tu,
Diane Zipursky and Robert Okun of NBC; Jim McNamara, Alan Sokol and Juan Antunez
of Telemundo; Meredith Senter and Howard Topel of Leventhal, Senter & Lerman,
P.L.L.C., met with Roy Stewart, Barbara Kreisman, Clay Pendavris and Jamila Bess-
Johnson of the Mass Media Bureau to discuss the Application and the petitions to deny
the Application filed by the Puerto Rican Legal Defense and Education Fund, Inc., et al.

NBC and Telemundo advised the FCC staff that representatives from each of the
companies has met with representatives of the Latino Coalition to discuss their concerns
and that the companies believe progress is being made in addressing many of those
concerns. NBC and Telemundo emphasized that the public interest will be served by
NBC’s acquisition of Telemundo because, as the Latino Coalition acknowledged in its
petition, NBC will strengthen Telemundo’s ability to compete with Univision, the
dominant provider of Spanish-language programming and programming targeted to the
Latino Community.

NBC expressed its view, also set forth in its Opposition to the petition, that the
Application demonstrated that a 12-month period in which to come into compliance with
the television local ownership rules in the Los Angeles Designated Market Area
(“DMA”) was amply justified by current conditions in the market for stations sales, by
the special circumstances involved in selling a Spanish-language television station and by
the size and diversity of the Los Angeles DMA.
NBC and Telemundo expressed their desire to have the Application granted as soon as possible as any delay puts Telemundo at a competitive disadvantage.

An original and one copy of this *ex parte* letter are being filed with the Secretary's Office as required by Section 1.1206(b)(2) of the Commission's Rules. Please contact the undersigned if there are any questions with respect to this *ex parte* letter.

Very truly yours,

Diane Zipursky  
Vice President  
National Broadcasting Company, Inc.
