</table>

1 The above markets represent the primary cities of the top 50 MTAs within the US

2 Channel counts include those for which there are sales to Nextel which are pending

3 These channel counts represent the number of channels that are usable by Nextel in the urbanized area of the referenced market and thus do not include any channels for which there exists a DFA license in the referenced market which is not owned by Nextel.

4 These channel counts represent the number of channels that are usable by Motorola in the urbanized area of the referenced market and thus do not include any channels for which there exists a DFA license in the referenced market which is not owned by either Motorola or Nextel.
