Re: Joint Application of OnePoint Communications Corp. and Verizon Communications
for Authority to Transfer Control of Section 214 Authorizations to Provide
International Telecommunications Services Controlled by OnePoint
Communications Corp.
CC Docket No. 00-170

Dear Ms. Salas:

On December 15, 2000, OnePoint Communications Corp. and Verizon Communications consummated the transaction described in the above-referenced application. Specifically, OnePoint transferred control of those portions of its Section 214 authorizations that allow for the resale of unaffiliated U.S. facilities-based carrier's international switched services. Accordingly, as requested by the Commission staff, OnePoint hereby submits for cancellation all other portions of the 214 authorizations that were not transferred.

Sincerely,

Richard P. Kolb
