Re: **ORBCOMM LLC & ORBCOMM License Corporation.**, Applications For
Assignment of Licenses, Lead FCC File No. SAT-ASG-20010726-00068

Dear Mr. Caton:

Transmitted herewith, are five copies each of two letters dated February 28, 2002 and March 4, 2002, respectively regarding the above referenced pending applications. These letters were exchanged between Walter H. Sonnenfeldt, counsel for ORBCOMM LLC & ORBCOMM License Corporation (OLC) on the one hand and the Department of Justice ("DOJ) and the Federal Bureau of Investigation ("FBI") on the other. As noted in the March 4, 2002 letter, the FBI and DOJ, in reliance upon the representations made on behalf of ORBCOMM LLC & OLC, have decided not to file an objection or other comments with the Federal Communications Commission regarding the referenced applications.

The DOJ and FBI respectfully request that these letters be accepted for filing with the Commission in FCC File No. SAT-ASG-20010726-00068.

Sincerely,

Patrick W. Kelley
Deputy General Counsel
