Notes:

1) Data for cellular, PCS, 700 MHz, AWS, and WCS holdings are based on a review of the Commission's Universal Licensing System database and/or Spectrum Dashboard. This information is subject to the limitations inherent in these databases.

2) Data for SMR and BRS holdings come from a filing that Sprint and Clearwire made with the FCC in June 2008 in connection with their proposed New Clearwire joint venture. *See* Sprint/Clearwire Application for Transfer of Control, Exhibit 1, Appendix D, FCC Docket No. 08-94 (amended October 31, 2008), *available at* <https://wireless2.fcc.gov/UlsEntry/attachments/attachmentViewRD.jsp;ATTACHMENTS=20h7JCHDNLybVC8fnqWhhGbFLWRVZqm2nbjpV37GQp9DGgg4f11m!-849295342!-659400886?applType=search&fileKey=535838453&attachmentKey=18317507&attachmentInd=applAttach>.

3) This competitor chart was included as part of the applications submitted by Verizon Wireless, SpectrumCo, and Cox seeking approval to assign certain AWS-1 licenses to Verizon Wireless. *See* ULS File Nos. 0004993617, 0004996680. The chart has been updated to reflect completed transactions of AWS licenses involving either Verizon Wireless or T-Mobile that have occurred since December 21, 2011 and to add information for any additional relevant markets.
