SECTION 2. RULES AND REGULATIONS

The fact that a deposit has been made in no way relieves the customer from complying with the Company's requirement as to the prompt payment of bills.

C. At such time as the provision of the Service to the Customer is terminated, the amount of the deposit will be credited to the Customer's account and any credit balance which may remain will be refunded.

D. The late payment penalty shall be a portion of the payment not received by the payment due date times a late factor. The late factor shall be 1.5% per month (0.049315% per day) or 18% annually, or the highest rate allowed by law, whichever is the lesser. The Customer shall submit all documentation as may reasonably be required to support the claim. All claims must be submitted to the Company within 60 days of receipt of billing for those Services. If the Customer does not submit a claim as stated above, the Customer waives all rights to filing a claim thereafter. Unless disputed, the invoice shall be deemed to be correct and payable in full by Customer.
