(d) For purposes of determining a Holder's pro rata share of the Rights Offering in Sections 3.3(a)(ii) above, the amount of each subject Claim or Interest shall be based on the liquidated amount of the subject Claim as of the Petition Date as reflected in the Debtor's Schedules unless otherwise ordered by the Bankruptcy Court. For purposes of determining a Holder's pro rata share of the Rights Offering in Sections 3.3(b)(ii), 3.3(c)(ii) and 3.3(d)(ii) above, the Face Amount shall be based on the liquidated amount of the subject Claims as of the Petition Date as reflected in the Debtor's Schedules unless otherwise ordered by the Bankruptcy Court. For purposes of determining a Holder's pro rata share of the Rights Offering in Sections 3.4(a)(ii) and 3.4(b)(ii) above, the number of shares of the subject Interests shall be based on the value of such Interests as of the Voting Record Date unless otherwise ordered by the Bankruptcy Court.

In connection with confirmation of the Plan, the Debtor shall file a motion seeking approval of the Shareholder Stipulation by the Bankruptcy Court. The Shareholder Stipulation provides, among other things, that Holders of Old Class A Common Stock Interests shall be entitled to receive certain consideration as a gift from the Holders of the Senior Secured Lender Claims in exchange for settling the Shareholder Lawsuit. The Shareholder Stipulation provides, among other things, the following consideration to the Holders of Old Class A Common Stock Interests:

(a) If the transactions contemplated by the Investment Agreement are consummated, the Holders of the Allowed Senior Secured Lender Claims waive their right to receive the first twenty million dollars (\$20,000,000) in Cash interest otherwise payable to them pursuant to Section 3.3(a)(i) of the Plan and instead such amount shall be paid into escrow on behalf of the Holders of Old Class A Common Stock Interests within seven (7) days after the

later of (x) the Effective Date and (y) the date such interest would otherwise be paid under the Plan; provided, that such amount, less any taxes, expenses, costs and attorneys' fees and expenses awarded by the court in which the Shareholder Lawsuit is pending or other court of competent jurisdiction shall be distributed on the Distribution Date or as soon thereafter as is practicable to Holders of Old Class A Common Stock Interests.

(b) If the Stand-Alone Events occur,

(i) In the event of a Successful Recovery in connection with any Investor Litigation not involving the receipt of Other Consideration by any party, XO or Reorganized XO, as applicable, shall pay or cause to be paid into escrow on behalf of Holders of Old Class A Common Stock Interests within seven (7) business days after XO's receipt of such Successful Recovery or any cash proceeds out of enforcing such Successful Recovery: (a) thirty-three and one-third percent (33 1/3%) of such Successful Recovery up to a maximum Successful Recovery of sixty million dollars (\$60,000,000), for a maximum payment to Holders of Old Class A Common Stock Interests of twenty million dollars (\$20,000,000); and in addition (b) three percent (3%) of the gross value of any such Successful Recovery in excess of sixty million dollars (\$60,000,000) (collectively, the "Successful Recovery Fund"). The administration, distribution and tax payments on the Successful Recovery Fund shall be handled in the same manner as set forth above in connection with the Settlement Fund and distributions therefrom shall be made to Holders of Old Class A Common Stock Interests.

(ii) In the event that a Successful Recovery involves the receipt of Other Consideration by any party, then two independent investment advisors selected by Plaintiffs and XO, respectively, will agree on a value for the Successful Recovery. If no agreement can be reached between these two investment advisors, such advisors shall mutually agree upon and appoint a neutral advisor to value the Successful Recovery. After the agreement or neutral determination of the value of the Successful Recovery, any amounts owed to Holders of Old Class A Common Stock Interests shall be promptly liquidated (or, at XO's or Reorganized XO's election, the value thereof determined as described above shall be paid in cash by XO or Reorganized XO) and the proceeds of such liquidation or the value of such Other Consideration, as the case may be, together with that portion of the Successful Recovery that does not involve Other Consideration, shall be distributed in the same manner and to the same persons or entities as any cash consideration portion of a Successful Recovery; provided, however, that the amounts payable to Holders of Old Class A Common Stock Interests in respect of any Other Consideration portion of a Successful Recovery shall in no event exceed twenty million dollars (\$20,000,000).

All Holders of Claims against and Interests in XO shall be bound by the terms of the Shareholder Stipulation.

The classification and composition of the board of directors of Reorganized XO shall be consistent with its Amended Certificate of Incorporation and Bylaws. Each such director and officer shall serve from and after the Effective Date pursuant to the terms of the Amended Certificate of Incorporation and Bylaws, the other constituent documents of Reorganized XO, and applicable law. The initial officers of XO shall be the officers of XO as of the Petition Date or such other officers as shall be reasonably acceptable to the Investors to the extent provided by the Investment Agreement.

(ii) *If the Stand-Alone Events occur:* On the Effective Date, the Board of Directors of Reorganized XO will consist of seven (7) members designated as follows: (i) two by the Reorganized XO's senior management and (ii) five by the Holders of Allowed Senior Secured Lender Claims, provided that if the Rights Offering yields more than \$150 million, then one of the members of the Board nominated by the Holders of Senior Secured Lender Claims shall resign and the remaining directors shall elect to fill the vacancy an individual nominated by one or more of the parties who exercised Rights. The Amended Certificate of Incorporation and Bylaws shall effectuate the forgoing provisions.

(c) *Corporate Action.* On the Effective Date, the adoption of the Amended Certificates of Incorporation and Bylaws or similar constituent documents, the selection of directors and officers for Reorganized XO, and all other actions contemplated by this Plan and the Investment Agreement shall be authorized and approved in all respects (subject to the provisions of this Plan). All matters provided for in this Plan involving the corporate structure of the Debtor or Reorganized XO, and any corporate action required by the Debtor or Reorganized XO in connection with this Plan, shall be deemed to have occurred and shall be in effect without any requirement of further action by the security holders or directors of the Debtor or Reorganized XO. On the Effective Date, the appropriate officers of Reorganized XO and members of the board of directors of Reorganized XO shall be authorized and directed to issue, execute and deliver the agreements, documents, securities and instruments contemplated by this Plan in the name of and on behalf of Reorganized XO.

4.3. *Effectuating Documents and Further Transactions.* Each of the Debtor or Reorganized XO, as appropriate, is authorized to execute, deliver, file or record such contracts, instruments, releases and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement and further evidence the terms and conditions of this Plan and any notes or securities issued pursuant to this Plan.

4.4. *Cancellation of Notes, Other Old Equity, Old Common Stock and Old Preferred Stock.* On the Effective Date, except as otherwise provided for herein, (i) the Notes, Other Old Equity, Old Common Stock, Old Preferred Stock, and any other notes, bonds (with the exception of surety bonds outstanding), indentures or other instruments or documents evidencing or creating any indebtedness or obligations of, or interests in, the Debtor, except such notes or other instruments evidencing indebtedness or obligations of the Debtor that are Unimpaired, Reinstated, or amended and restated under this Plan (including, if applicable upon implementation of the transactions contemplated under the Investment Agreement, the Senior Secured Lender Claims), shall be cancelled, and (ii) the obligations of the Debtor under any agreements, Indentures or certificates of designation governing the Notes, Other Old Equity, Old Common Stock, Old Preferred Stock, and any other notes, bonds (with the exception of surety bonds outstanding), indentures or other instruments or documents evidencing or creating any indebtedness or obligations of, or interests in, the Debtor, except such notes or other instruments evidencing indebtedness or obligations of the Debtor that are Unimpaired, Reinstated or amended and restated under this Plan (including, if applicable upon implementation of the transactions contemplated under the Investment Agreement, the Senior Secured Lender Claims), as the case may be, shall be discharged; provided, however, that the Notes and Indentures shall

continue in effect solely for the purposes of (i) allowing the holders of the Senior Note Claims to receive their distributions hereunder, (ii) allowing the Senior Note Trustee to make the distributions to be made on account of the Senior Notes, and (iii) permitting the Senior Note Trustee, as it may choose, to assert any Note Trustee Charging Lien it may have against such distributions for payment of the Note Trustee Fees.

4.5. Issuance of New Securities.

(i) *If the Transactions Contemplated by the Investment Agreement are Consummated:* On or as soon as reasonably practicable after the Effective Date, Reorganized XO, in accordance with the terms of this Plan, shall issue and exchange, as necessary, for the benefit of Holders of the General Unsecured Claims and Note Claims, such shares of New Common Stock as are required by Sections 3.3(b) and (c) of this Plan. Also on the Effective Date, Reorganized XO shall issue to the Investors the New Investor Common Stock pursuant to the terms of the Investment Agreement. Further, on the Effective Date, Reorganized XO shall issue the Management Common Stock pursuant to the terms of the Management Stock Purchase Agreement. The issuance of the New Common Stock and the Conversion Common Stock is authorized without the need for any further corporate action.

(ii) *If the Stand-Alone Events Occur:* On or as soon as reasonably practicable after the Effective Date, Reorganized XO, in accordance with the terms of this Plan, shall (a) commence the Rights Offering as contemplated by the Stand-Alone Term Sheet and issue for the benefit of the persons exercising Rights such shares of New Reorganization Common Stock as are purchased upon exercise of the Rights and (b) issue and exchange, as necessary, for the benefit of Holders of the General Unsecured Claims and Note Claims, such shares of New Reorganization Common Stock and New Warrants as required by Sections 3.3(b)(ii) and (c)(ii) of this Plan. Also on the Effective Date, Reorganized XO shall issue to Holders of Senior Secured Lender Claims the New Reorganization Common Stock as required by Section 3.3(a)(ii) of this Plan. The issuance of the New Reorganization Common Stock (including, without limitation, respecting the foregoing, the New Options under the Management Incentive Program and the Rights Offering) is authorized without the need for any further corporate action.

4.6. Amended and Restated Senior Credit Facility. On the Effective Date, Reorganized XO is authorized and directed to execute and deliver the Amended and Restated Senior Credit Facility in the event the transactions contemplated by the Investment Agreement are consummated, and such other agreements and instruments contemplated thereby.

4.7. Sources of Cash for Plan Distributions. Except as otherwise provided in this Plan or the Confirmation Order, all Cash necessary for Reorganized XO to make payments under this Plan shall be obtained from existing Cash balances, Cash generated from operations and, (i) if the transactions contemplated by the Investment Agreement are consummated, the sale of shares of New Common Stock pursuant to the terms of the Investment Agreement and the Management Stock Purchase Agreement, or (ii) in the event the Stand-Alone Events occur, the

proceeds from the Exit Facility, the Rights Offering, New Warrants and New Options upon exercise.

4.8. Exemption from Transfer Taxes. Pursuant to section 1146(c) of the Bankruptcy Code, (a) the issuance, transfer or exchange of notes or equity securities under this Plan; (b) the creation of any mortgage, deed of trust, lien, pledge or other security interest; (c) the making or assignment of any lease or sublease; or (d) the making or delivery of any deed or other instrument of transfer under, in furtherance of, or in connection with, this Plan, including, without limitation, any merger agreements; agreements of consolidation, restructuring, disposition, liquidation or dissolution; deeds; bills of sale; and transfers of tangible property, will not be subject to any stamp tax, recording tax, personal property tax, real estate transfer tax, sales or use tax or other similar tax. Any transfers from the Debtor to Reorganized XO or otherwise pursuant to this Plan shall not be subject to any such taxes, and the Confirmation Order shall direct the appropriate state or local governmental officials or agents to forgo the collection of any such tax or governmental assessment and to accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment. Unless the Bankruptcy Court orders otherwise, any and all of the foregoing transactions whether taken on or after to the Effective Date shall be deemed to have been in furtherance of, or in connection with, this Plan.

4.9. Authorization for Merger. On the Effective Date, and upon consent of the Administrative Agent, which consent shall not be unreasonably withheld, (a) the Operating Subsidiaries may merge with or transfer assets to other Operating Subsidiaries, and (b) if the Stand-Alone Event occurs, a new corporation may be formed ("New XO"), and XO or Reorganized XO, as the case may be, may merge with and into New XO or a subsidiary of New XO or may transfer all of its assets (including the Operating Subsidiaries) to New XO or wholly owned subsidiaries of New XO, and the stock and securities to be issued under the Plan would be issued by New XO, and XO would dissolve; provided, that in the case of clause (a), if the transactions contemplated by the Investment Agreement are consummated, such merger or transfer shall be subject to any consents of the Investors required by the Investment Agreement.

ARTICLE V

ACCEPTANCE OR REJECTION OF THE PLAN

5.1. Classes Entitled to Vote. Classes 1, 5 and 6 are Impaired and entitled to vote to accept or reject each of the FL/Telmex Plan and Stand-Alone Plan separately. By operation of law, each Unimpaired Class of Claims (*i.e.*, Classes 2, 3 and 4) is deemed to have accepted each of the FL/Telmex Plan and Stand-Alone Plan and, therefore, is not entitled to vote to accept or reject this Plan. By operation of law, Classes 7, 8, 9, 10 and 11 are deemed to have rejected each of the FL/Telmex Plan and Stand-Alone Plan and are not entitled to vote on this Plan.

5.2. Acceptance by Impaired Classes. An Impaired Class of Claims shall have accepted the FL/Telmex Plan or Stand-Alone Plan, as applicable, if (a) the Holders (other than any Holder designated under section 1126(e) of the Bankruptcy Code) of at least two-thirds (2/3)

in amount of the Allowed Claims actually voting in such Class have voted to accept such Plan and (b) the Holders (other than any Holder designated under section 1126(e) of the Bankruptcy Code) of more than one-half (1/2) in number of the Allowed Claims actually voting in such Class have voted to accept such Plan. An Impaired Class of Interests shall have accepted the FL/Telmex Plan or Stand-Alone Plan, as applicable if the Holders (other than any holder designated under section 1126(e) of the Bankruptcy Code) of at least two-thirds (2/3) in amount of the Allowed Interests actually voting in such Class have voted to accept such Plan.

5.3. Cramdown. To the extent necessary, the Debtor shall request Confirmation of this Plan, as it may be modified from time to time, under section 1129(b) of the Bankruptcy Code with respect to any Class that rejects, or is deemed to have rejected, this Plan.

ARTICLE VI

PROVISIONS GOVERNING DISTRIBUTIONS

6.1. Distributions for Claims Allowed as of the Effective Date. Except as otherwise provided herein or as ordered by the Bankruptcy Court, distributions to be made on account of Allowed Claims as of the Effective Date shall be made on the Distribution Date or as soon thereafter as is practicable. Any distribution to be made pursuant to this Plan shall be deemed as having been made on the Effective Date if such distribution is made on the Effective Date or as soon thereafter as is practicable. Any payment or distribution required to be made under this Plan on a day other than a Business Day shall be made on the next succeeding Business Day. Distributions on account of Claims or Interests that first become Allowed Claims or Interests after the Effective Date shall be made pursuant to Articles III, VI and VII of this Plan. Notwithstanding the date on which any distribution of securities is made to a Holder of a Claim that is an Allowed Claim on the Effective Date, as of the date of the distribution, such Holder shall be deemed to have the rights of a Holder of such securities distributed as of the Effective Date.

6.2. Interest on Claims. Unless otherwise specifically provided for or contemplated in this Plan or Confirmation Order, or required by applicable bankruptcy law, postpetition interest shall not accrue or be paid on any Claims and no Holder of a Claim shall be entitled to interest accruing on or after the Petition Date on any Claim, other than (a) Other Secured Claims to the extent required by the applicable documents giving rise to such claims and (b) if the transactions contemplated in the Investment Agreement are consummated, Senior Secured Lender Claims as provided in the Senior Credit Facility.

6.3. Distributions by Reorganized XO. Reorganized XO or the Disbursing Agent shall make all distributions required to be distributed under this Plan. However, any distributions on account of Senior Secured Lender Claims shall be made to the Administrative Agent, and distributions on account of Senior Note Claims shall be made to the Senior Note Trustees. Reorganized XO may employ or contract with other entities to assist in or make the distributions required by this Plan.

(a) *Distribution by Senior Note Trustee.* The distributions to be made under the Plan to Holders of Senior Note Claims shall be made to the Senior Note Trustee, which, subject to any right of the Senior Note Trustee to assert its Note Trustee Charging Lien against the distributions, shall transmit the distributions to the Holders of such Senior Note Claims. All payments to Holders of Senior Note Claims shall be made only upon the Holder's compliance with the requirements set forth in Section 6.10(a), or in the event that such instrument is lost, stolen, mutilated or destroyed, upon the Holder's compliance with the requirements set forth in Section 6.11. As soon as practicable after surrender of the Senior Note instrument evidencing the Senior Note Claim, the Senior Note Trustee shall distribute to the Holder thereof such Holder's pro rata share of the distribution, but subject to any right of the Senior Note Trustee to assert its Note Trustee Charging Lien against such distribution.

6.4. *Delivery of Distributions and Undeliverable or Unclaimed Distributions.*

(a) *Delivery of Distributions in General.* Distributions to Holders of Allowed Claims shall be made at the addresses set forth in the Debtor's records or as otherwise available to the Debtor, the Administrative Agent, the Senior Note Trustees, or any other agent or servicer, unless such addresses are superseded by any proofs of claim or transfers of claim that may be filed pursuant to Bankruptcy Rule 3001.

(b) *Undeliverable and Unclaimed Distributions.*

(i) Holding and Investment of Undeliverable and Unclaimed Distributions. If the distribution to any Holder of an Allowed Claim is returned to the Disbursing Agent as undeliverable or is otherwise unclaimed, no further distributions shall be made to such Holder unless and until the Disbursing Agent is notified in writing of such Holder's then current address.

(ii) After Distributions Become Deliverable. Reorganized XO, the Administrative Agent, the Stock Agent or the Senior Notes Trustee, as applicable, shall make all distributions that have become deliverable or have been claimed since the Distribution Date as soon as practicable after such distribution has become deliverable.

(iii) Failure to Claim Undeliverable Distributions. Any Holder of an Allowed Claim that does not assert a claim pursuant to this Plan for an undeliverable or unclaimed distribution within one (1) year after the Effective Date shall be deemed to have forfeited its claim for such undeliverable or unclaimed distribution and shall be forever barred and enjoined from asserting any such claim for an undeliverable or unclaimed distribution against the Debtor or its Estate, Reorganized XO, or its property. In such cases, any Cash for distribution on account of such claims for undeliverable or unclaimed distributions shall become the property of the Estate free of any restrictions thereon and notwithstanding any federal or state escheat laws to the contrary, subject to liens to which Senior Secured Lenders may be entitled (if any). Any New Common Stock or Post-Termination Securities, as applicable, held for distribution on account of such Claim shall be canceled and of no further force or effect. Nothing

contained in this Plan shall require any Disbursing Agent, including, but not limited to, Reorganized XO, to attempt to locate any Holder of an Allowed Claim.

6.5. Record Date for Distributions. As of the close of business on the Distribution Record Date, the transfer register for the Notes, Old Common Stock, Old Preferred Stock and the Other Old Equity, as maintained by XO, the Note Trustees, any other applicable trustee or their respective agents shall be closed and the transfer of such securities or any interest thereon prohibited. The Disbursing Agent will have no obligation to recognize the transfer of, or the sale of any participation in, any Allowed Claim or Interest that occurs after the close of business on the Distribution Record Date, and will be entitled for all purposes herein to recognize and distribute only to those Holders of Allowed Claims or Interests who are Holders of such Claims or Interests, or participants therein, as of the close of business on the Distribution Record Date. The Disbursing Agent and Reorganized XO shall instead be entitled to recognize and deal for all purposes under this Plan with only those record holders stated on any official register as of the close of business on the Distribution Record Date.

6.6. Allocation of Plan Distributions Between Principal and Interest. To the extent that any Allowed Claim or Interest entitled to a distribution under this Plan is comprised of indebtedness and accrued but unpaid interest thereon, such distribution shall, for federal income tax purposes, be allocated to the principal amount of the Claim or Interest first and then, to the extent the consideration exceeds the principal amount of the Claim or Interest, to the portion of such Claim or Interest representing accrued but unpaid interest.

6.7. Means of Cash Payment. Payments of Cash made pursuant to this Plan shall be in U.S. dollars and shall be made, at the option and in the sole discretion of Reorganized XO, by (a) checks drawn on or (b) wire transfer from a domestic bank selected by Reorganized XO. Cash payments to foreign creditors may be made, at the option of Reorganized XO, in such funds and by such means as are necessary or customary in a particular foreign jurisdiction.

6.8. Withholding and Reporting Requirements. In connection with this Plan and all distributions thereunder, Reorganized XO shall comply with all withholding and reporting requirements imposed by any federal, state, local or foreign taxing authority, and all distributions hereunder shall be subject to any such withholding and reporting requirements. Reorganized XO shall be authorized to take any and all actions that may be necessary or appropriate to comply with such withholding and reporting requirements. Notwithstanding any other provision of this Plan, (i) each Holder of an Allowed Claim or Interest that is to receive a distribution of Cash, New Common Stock, and/or Post-Termination Securities, as applicable, shall have sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any governmental unit, including income, withholding and other tax obligations, on account of such distribution, and (ii) no distribution shall be made to or on behalf of such Holder pursuant to this Plan unless and until such Holder has made arrangements satisfactory to Reorganized XO for the payment and satisfaction of such tax obligations or has, to Reorganized XO's satisfaction, established an exemption therefrom. Any New Common Stock or Post-Termination Securities, as applicable, to be distributed pursuant to this Plan shall, pending the implementation of such arrangements, be treated as undeliverable pursuant to Section 6.4 hereof.

6.9. Setoffs. Reorganized XO may, pursuant to section 553 of the Bankruptcy Code or applicable nonbankruptcy law, but shall not be required to, set off against any Claim (other than a Director and Officer Claim) and the payments or other distributions to be made pursuant to this Plan in respect of such Claim, claims of any nature whatsoever that the Debtor or Reorganized XO may have against the Holder of such Claim; provided, however, that neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by Reorganized XO of any such claim that the Debtor or Reorganized XO may have against such Holder.

6.10. Surrender of Instruments or Securities. As a condition precedent to receiving any distribution pursuant to this Plan on account of an Allowed Claim or Interest, the Holder of such Claim or Interest shall tender the applicable instruments, securities or other documentation evidencing such Claim or Interest to Reorganized XO or its Senior Note Trustee or their agents, or the Administrative Agent, as applicable, unless waived in writing by Reorganized XO. Any New Common Stock or Post-Termination Securities, as applicable, to be distributed pursuant to this Plan on account of any such Claim or Interest shall, pending such surrender, be treated as an undeliverable distribution pursuant to Section 6.4(b) of this Plan. Nothing herein shall require the surrender of any documentation by the Senior Secured Lenders.

(a) *Notes.* Each Holder of a Note Claim shall tender its Notes relating to such Claim to its Note Trustee or their agents, as applicable, in accordance with written instructions to be provided to such Holders by Reorganized XO or its Note Trustee as promptly as practicable following the Effective Date. Such instructions shall specify that delivery of such instruments will be effected, and risk of loss and title thereto will pass, only upon the proper delivery of such instruments with a letter of transmittal in accordance with such instructions. All surrendered Notes shall be marked as cancelled.

(b) *Old Preferred Stock and Old Common Stock.* Each Holder of an Old Preferred Stock Interest or Old Common Stock Interest shall tender its Old Preferred Stock or Old Common Stock instruments relating to such interest to Reorganized XO or its agents, as applicable, in accordance with written instructions to be provided to such Holders by Reorganized XO as promptly as practicable following the Effective Date. Such instructions shall specify that delivery of such instruments will be effected, and risk of loss and title thereto will pass, only upon the proper delivery of such instruments with a letter of transmittal in accordance with such instructions. All surrendered Old Preferred Stock or Old Common Stock instruments shall be marked as cancelled.

(c) *Failure to Surrender Instruments.* Any Holder of a Claim or Interest that fails to surrender or is deemed to have failed to surrender the applicable instruments required to be tendered hereunder within one year after the Effective Date shall have its Claim or Interest and its distribution pursuant to this Plan on account of such Claim or Interest discharged and shall be forever barred from asserting any such Claim or interest against Reorganized XO or its property. In such cases, any New Common Stock or Post-Termination Securities held for distribution on account of such Claim or Interest shall be disposed of pursuant to Section 6.4 hereof.

6.11. *Lost, Stolen, Mutilated or Destroyed Securities.* In addition to any requirements under the Indentures or any other applicable agreement, any Holder of a Claim or interest evidenced by an instrument that has been lost, stolen, mutilated or destroyed shall, in lieu of surrendering such instrument deliver to Reorganized XO or its Note Trustee or their agents, as applicable: (i) evidence reasonably satisfactory to Reorganized XO or its Note Trustee of the loss, theft, mutilation or destruction; and (ii) such security or indemnity as may be required by Reorganized XO or its Note Trustee to hold Reorganized XO and its Note Trustee harmless from any damages, liabilities or costs incurred in treating such individual as a Holder of an Allowed Claim or Interest. Upon compliance with this Article VI by a Holder of a Claim or Interest evidenced by a Note or other instrument, such Holder shall, for all purposes under this Plan, be deemed to have surrendered such instrument.

6.12. *Fractional Shares.* No fractional shares of New Common Stock, Post-Termination Securities or Conversion Stock shall be distributed. The actual issuance shall reflect a rounding up (in the case of .5000 or more than .5000) of such fraction to the nearest whole New Common Stock, Post-Termination Securities or Conversion Stock share or a rounding down of such fraction (in the case of .4999 or less).

ARTICLE VII

PROCEDURES FOR RESOLVING DISPUTED, CONTINGENT AND UNLIQUIDATED CLAIMS AND INTERESTS

7.1. *Objection Deadline; Prosecution of Objections.* No later than the Claims Objection Deadline (unless extended by an order of the Bankruptcy Court), the Debtor or Reorganized XO, as the case may be, shall file objections to Claims and Interests with the Bankruptcy Court and serve such objections upon the Holders of each of the Claims and Interests to which objections are made, provided, however, that the Debtor and Reorganized XO shall not object to Claims Allowed pursuant to this Plan. Nothing contained herein, however, shall limit Reorganized XO's right to object to Claims or Interests, if any, filed or amended after the Claims Objection Deadline. The Debtor and Reorganized XO shall be authorized to, and shall, resolve all Disputed Claims or Disputed Interests by withdrawing or settling such objections thereto, or by litigating to judgment in the Bankruptcy Court or such other court having jurisdiction the validity, nature and/or amount thereof.

7.2. *Reserve for Disputed Claims.*

(a) *Establishment of Reserves.* Within ten (10) Business Days after the Effective Date, Reorganized XO shall establish a reserve (the "Disputed Claims Reserve") on account of the Disputed Claims in Classes 5 (General Unsecured Claims) and 6 (Senior Note Claims). Reorganized XO shall fund the Disputed Claims Reserve with (i) in the event the transactions contemplated by the Investment Agreement are consummated, all of the shares of the Note Common Stock and Cash or, (ii) in the event that the Stand-Alone Events occur, the New Warrants, if any, in each case, that all Holders of Disputed General Unsecured Claims and Disputed Senior Note Claims would receive if all Disputed General Unsecured Claims and Disputed Note Claims were Allowed Claims immediately prior to the Distribution Date in an

amount equal to the Face Amounts of such Disputed Claims. For purposes of calculating the distributions on the Distribution Date to Holders of Allowed Claims in Classes 5 (General Unsecured Claims) and 6 (Senior Note Claims) under Sections 3.3(c) and (d) of the Plan (including, without limitation, the calculation of General Unsecured Claim Portion and Senior Note Claim Portion), all Disputed General Unsecured Claims and Disputed Note Claims shall be deemed to be Allowed Claims in amounts equal to the Face Amounts of such Disputed Claims.

(b) *Distribution Upon Allowance of a Disputed Claim.* When a Disputed General Unsecured Claim or Disputed Senior Note Claim becomes an Allowed Claim, Reorganized XO shall distribute, on or as soon as practicable thereafter, to the Holder of such newly Allowed Claim from the Disputed Claims Reserve a distribution of (i) in the event the transactions contemplated by the Investment Agreement are consummated, the Note Common Stock and Cash equal to the number of shares and amount of Cash or (ii) in the event that the Stand-Alone Events occur, the New Warrants, if any, in each case, that would have been distributed to such Holder with respect to such Claim had such Claim been an Allowed Claim on the Distribution Date based on the Face Amount of such newly Allowed Claim; provided, however, that (i) in the event the transactions contemplated by the Investment Agreement are consummated, the aggregate number of shares and Cash distributed on account of the newly Allowed Claim may not exceed the total number of shares of Note Common Stock and amount of Cash reserved with respect to such Claim in the Disputed Claims Reserve and (ii) in the event that the Stand-Alone Events occur, the aggregate number of New Warrants distributed on account of the newly Allowed Claim may not exceed the total number of New Warrants reserved with respect to such Claim in the Disputed Claims Reserve.

(c) *Final Distribution.* When all Disputed General Unsecured Claims and all Disputed Note Claims have become Allowed Claims or have otherwise been resolved by a Final Order and the applicable distributions have been made on account of such newly Allowed Claims in accordance with Section 7.2(b) of this Plan, (i) in the event that the transactions contemplated by the Investment Agreement are consummated, any and all shares of Note Common Stock and Cash and (ii) in the event that the Stand-Alone Events occur, any and all New Warrants, remaining in the Disputed Claims Reserve (the "Remaining Reserve") shall be distributed, on or as soon as practicable thereafter, to the Holders of the Allowed General Unsecured Claims and Allowed Senior Note Claims as follows: (x) each Holder of an Allowed General Unsecured Claim shall receive its pro rata share (based on a fraction, the numerator of which is the Face Amount of the Allowed General Unsecured Claim and the denominator of which is the aggregate Face Amounts of all Allowed General Unsecured Claims) of the General Unsecured Claim Portion of the Remaining Reserve; and (y) each Holder of an Allowed Senior Note Claim shall receive its pro rata share (based on a fraction, the numerator of which is the Face Amount of the Allowed Senior Note Claim and the denominator of which is the aggregate Face Amounts of all Allowed Senior Note Claims) of the Senior Note Claim Portion of the Remaining Reserve.

7.3. No Distributions Pending Allowance. Notwithstanding any other provision of this Plan, no payments or distributions shall be made with respect to all or any portion of a Disputed Claim or Interest unless and until all objections to such Disputed Claim or Disputed Interest have been settled or withdrawn or have been determined by Final Order and

the Disputed Claim or Disputed Interest, or some portion thereof, has become an Allowed Claim or Allowed Interest.

ARTICLE VIII

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

8.1. *Assumption of Executory Contracts and Unexpired Leases.* On the Effective Date, all executory contracts or unexpired leases of Reorganized XO, except for any executory contract or unexpired lease that (i) has been assumed or rejected prior to the Confirmation Date or (ii) is identified on Schedule 8.1 hereto, which Schedule shall be in form and substance acceptable to the Investors to the extent required by the Investment Agreement and may be amended prior to the Confirmation Date, will be deemed assumed in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code. All executory contracts or unexpired leases of Reorganized XO set forth on Schedule 8.1 shall be deemed rejected pursuant to sections 365 and 1123 of the Bankruptcy Code and the Holder of any Rejection Claim shall file a proof of claim within thirty (30) days after the Confirmation Date. Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of such assumptions, assignments and rejections pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Each executory contract and unexpired lease assumed and/or assigned pursuant to this Article VIII shall remain in full force and effect and be fully enforceable by Reorganized XO in accordance with its terms, except as modified by the provisions of this Plan, or any order of the Bankruptcy Court authorizing and providing for its assumption or applicable federal law. To the extent applicable, all executory contracts or unexpired leases of Reorganized XO assumed pursuant to this Section 8.1 shall be deemed modified such that the transactions contemplated by this Plan shall not be a "change of control" however such term may be defined in the relevant executory contract or unexpired lease and any required consent under any such contract or lease shall be deemed satisfied by the confirmation of the Plan.

8.2. *Cure of Defaults of Assumed Executory Contracts and Unexpired Leases.* Any monetary amounts by which each executory contract and unexpired lease to be assumed pursuant to this Plan is in default shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the default amount in Cash on the later of (i) the Effective Date, (ii) as due in the ordinary course of business or (iii) on such other terms as the parties to such executory contracts or unexpired leases may otherwise agree. In the event of a dispute regarding: (1) the amount of any cure payments, (2) the ability of Reorganized XO or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the contract or lease to be assumed, or (3) any other matter pertaining to assumption, the cure payments required by section 365(b)(1) of the Bankruptcy Code shall be made following the entry of a Final Order resolving the dispute and approving the assumption.

8.3. *Indemnification of Directors, Officers and Employees.* The Director and Officer Claims, to the extent applicable, shall be deemed and treated as Claims arising under executory contracts that are assumed by Reorganized XO pursuant to this Plan and sections 365

and 1123 of the Bankruptcy Code as of the Effective Date. In addition, to the extent such Claims are not included under assumed executory contracts, the Debtor's obligations with respect to such Claims shall be assumed by Reorganized XO and shall survive Unimpaired and unaffected by entry of the Confirmation Order, irrespective of whether such indemnification is owed for an act or event occurring before or after the Petition Date.

8.4. Compensation and Benefit Programs. Except as otherwise expressly provided hereunder, all Employment Contracts are treated as executory contracts under this Plan and on the Effective Date will be assumed pursuant to the provisions of sections 365 and 1123 of the Bankruptcy Code excluding, however, any Employment Contract or portion thereof relating to Other Old Equity, such as those relating to the NEXTLINK Communications, Inc. Change of Control Retention Bonus and Severance Pay Plan, which plan the Company has already terminated. All Employment Contracts assumed pursuant to this Section 8.4 shall be deemed modified such that the transactions contemplated by this Plan shall not be a "change of control" however such term may be defined in the relevant Employment Contracts.

ARTICLE IX

CONFIRMATION AND CONSUMMATION OF THE PLAN

9.1. Conditions to Confirmation. The Bankruptcy Court shall not enter the Confirmation Order unless and until the Confirmation Order is reasonably acceptable in form and substance to the Debtor, the Administrative Agent and, if a Termination Event has not occurred, the Investors (to the extent required by the Investment Agreement)

9.2. Conditions to Effective Date. The following are conditions precedent to the occurrence of the Effective Date:

(a) The Confirmation Order confirming this Plan, as such Plan may have been modified, shall have been entered and become a Final Order in form and substance reasonably acceptable to the Debtor, the Administrative Agent, and, if a Termination Event has not occurred, the Investors (to the extent required by the Investment Agreement) and shall provide that:

(i) the Debtor and Reorganized XO are authorized to take all actions necessary or appropriate to enter into, implement and consummate the contracts, instruments, releases, leases, indentures and other agreements or documents to be executed and/or delivered in connection with this Plan;

(ii) the provisions of the Confirmation Order are nonseverable and mutually dependent; and

(iii) (x) in the event the Investment Agreement is consummated, Reorganized XO is authorized to issue New Common Stock and is authorized to enter into the Amended and Restated Senior Credit Facility and other such agreements and instruments contemplated thereby or (y) in the event a Termination Event occurs and the

Debtor files the Stand-Alone Notice, Reorganized XO is authorized to issue the Post-Termination Securities and is authorized to enter into the Exit Facility and such other agreements and instruments contemplated by the Stand-Alone Term Sheet.

(b) The following agreements or instruments, in form and substance reasonably satisfactory to Reorganized XO, the Administrative Agent and, if a Termination Event has not occurred, the Investors (to the extent required by the Investment Agreement), shall be in full force and effect or shall become effective concurrently with the transactions contemplated on the Effective Date, and, if applicable, all conditions precedent contained therein shall have been satisfied:

(i) Amended Certificates of Incorporation and Bylaws of Reorganized XO;

(ii) If a Termination Event has not occurred, the Amended and Restated Senior Credit Facility and all similar documents provided for therein or contemplated thereby (to the extent required by the Investment Agreement);

(iii) If a Termination Event has not occurred, the Management Stock Purchase Agreement and the ancillary agreements contemplated thereby, to the extent that the transactions contemplated by the Investment Agreement are to be consummated.

(iv) If a Termination Event occurs and the Debtor files the Stand-Alone Notice, agreements and any other instruments that evidence the New Junior Loans, the Post-Termination Securities, the Exit Facility, if applicable, and such other agreements and instruments, to the extent required by the Stand-Alone Term Sheet.

(c) The Amended Certificates of Incorporation and Bylaws of Reorganized XO, as necessary, shall have been filed with the appropriate authority in accordance with such jurisdiction's corporation laws.

(d) All actions, documents and agreements necessary to implement this Plan shall have been effected or executed and shall be reasonably acceptable to the Administrative Agent and, if a Termination Event has not occurred, the Investors (to the extent required by the Investment Agreement).

(e) The new board of directors of Reorganized XO shall have been appointed.

(f) If a Termination Event has not occurred, the Investors shall have made the Investment as required by the Investment Agreement.

(g) If a Termination Event has not occurred, to the extent required by the Investment Agreement, all conditions precedent to the closing of the transactions under the Investment Agreement shall have been satisfied or waived in accordance with the terms thereof.

(h) If a Termination Event occurs and the Debtor files the Stand-Alone Notice, all conditions precedent to closing the Exit Facility (other than the occurrence of the Effective Date) shall have been satisfied or waived.

(i) The Bankruptcy Court shall have approved the Shareholder Stipulation and all other conditions to the effectiveness of the Shareholder Stipulation shall have been satisfied.

9.3. Waiver of Conditions. Each of the conditions set forth in section 9.2 above may be waived in whole or in part by the Debtor (and with the prior written consent of the Administrative Agent which cannot be unreasonably withheld and, if a Termination Event has not occurred, the Investors (to the extent required by the Investment Agreement)) without any other notice to parties in interest or the Bankruptcy Court and without a hearing. The failure to satisfy or waive a condition to the Effective Date may be asserted by the Debtor or Reorganized XO regardless of the circumstances giving rise to the failure of such condition to be satisfied (including any action or inaction by the Debtor or Reorganized XO). The failure of the Debtor or Reorganized XO, the Investors (to the extent required by the Investment Agreement) or the Administrative Agent to exercise any of the foregoing rights shall not be deemed a waiver of any other rights, and each right shall be deemed an ongoing right that may be asserted at any time.

9.4. Consequences of Non-Occurrence of Effective Date. If the Effective Date does not occur prior to March 15, 2003, or by such later date, after notice and hearing, as is proposed by the Debtor, then upon motion by the Debtor and upon notice to such parties in interest as the Bankruptcy Court may direct, the Debtor will seek an order of the Bankruptcy Court vacating the Confirmation Order; provided, however, that the Debtor shall not be precluded from seeking to vacate the Confirmation Order prior to such date; provided, further, however, that notwithstanding the filing of such motion, the Confirmation Order may not be vacated if the Effective Date occurs before the Bankruptcy Court enters an order granting such motion. If the Confirmation Order is vacated pursuant to this Section 9.4, (a) this Plan shall be null and void in all respects; and (b) any settlement of Claims and Interests provided for hereby shall be null and void without further order of the Bankruptcy Court.

ARTICLE X

In accordance with the foregoing, except as provided in this Plan or the Confirmation Order, the Confirmation Order shall be a judicial determination of discharge of all such claims and rights of equity security holders in the Debtor, pursuant to sections 524 and 1141 of the Bankruptcy Code, and such discharge shall void any judgment obtained against the Debtor at any time to the extent that such judgment relates to a discharged Claim or Interest.

10.3. *Injunction.*

(a) **Except as otherwise provided in this Plan, entities who have held, hold or may hold Claims against or Interests in the Debtor are (i) permanently enjoined from taking any of the following actions against the Estate or any of its property on account of any such Claims or Interests and (ii) permanently enjoined from taking any of the following actions against the Debtor, Reorganized XO, or their property on account of such Claims or Interests: (A) commencing or continuing, in any manner or in any place, any action or other proceeding; (B) enforcing, attaching, collecting or recovering in any manner any judgment, award, decree or order; (C) creating, perfecting or enforcing any lien or encumbrance; (D) asserting a setoff, right of subrogation or recoupment of any kind against any debt, liability or obligation due to the Debtor; and (E) commencing or continuing, in any manner or in any place, any action that does not comply with or is inconsistent with the provisions of this Plan; provided, however, that nothing contained herein shall preclude such persons from exercising their rights pursuant to and consistent with the terms of this Plan.**

(b) **By accepting distributions pursuant to this Plan, each holder of an Allowed Claim or Interest will be deemed to have specifically consented to the injunctions set forth in this Section.**

10.4. Releases.

Entry of the Confirmation Order will constitute the Bankruptcy Court's approval, as of the Effective Date, of the compromise or settlement of all such claims or controversies and the Bankruptcy Court's finding that such compromise or settlement is in the best interests of the Debtor, Reorganized XO, their respective properties, and Holders of Claims and Interests, and is fair, equitable and reasonable.

The notice of Confirmation to be delivered pursuant to Bankruptcy Rules 3020(c) and 2002(f) will set forth such date and constitute notice of this Administrative Claims Bar Date. The Debtor and Reorganized XO shall have thirty (30) days (or such longer period as may be allowed by order of the Bankruptcy Court) following the Administrative Claims Bar Date to review and object to such Administrative Claims before a hearing for determination of allowance of such Administrative Claims.

Notwithstanding any such holding, alteration or interpretation, the remainder of the terms and provisions of this Plan will remain in full force and effect and will in no way be affected,

12.8. Notice. All notices, requests and demands to or upon the Debtor or Reorganized XO, to be effective, shall be in writing and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when actually delivered or, in the case of notice by facsimile transmission, when received and telephonically confirmed, addressed as follows:
