In the Matter of

XO LONG DISTANCE SERVICES, INC.

Application for Consent to Transfer
of Control of a Company Holding an
International Authorization Pursuant
to Section 214 of the Communications Act
of 1934, as Amended

APPLICATION

XO Long Distance Services, Inc. ("XO Long Distance" or the "Applicant"), a wholly-owned subsidiary of XO Communications, Inc. ("XO" or the "Company"), hereby requests authority pursuant to Section 63.18(e)(3)\(^1\) of the Commission’s Rules to transfer control of XO Long Distance from Craig O. McCaw and the existing shareholders of XO to the new shareholders of XO, which will include, as 10 percent or greater shareholders, Forstmann Little & Co. Equity Partnership-VII, L.P. ("Forstmann Little Equity VII"), and Forstmann Little & Co. Subordinated Debt and Equity Management Buyout Partnership-VIII, L.P. ("Forstmann Little MBO VIII") (Forstmann Little Equity VII and Forstmann Little MBO VIII, collectively "Forstmann Little") and an indirect wholly-owned subsidiary of Teléfonos de México, S.A. de C.V. ("Telmex"). XO Long Distance currently holds an international global facilities-based and

\(^{1}\) 47 C.F.R. § 63.18(e)(3).
global resale authorization that was granted by the Commission pursuant to Section 214 of the Communications Act of 1934 as amended ("Section 214 authorization").

As set forth in the Application and Petition for Declaratory Ruling, filed simultaneously with this Application, this transfer of control will occur as a result of a restructuring of XO, which will include the issuance of additional voting common stock in XO to Telmex and Forstmann Little in exchange for a total aggregate investment in XO of $800 million. Telmex is a foreign carrier from Mexico and is affiliated under the Commission’s Rules with foreign carriers from Guatemala and Argentina. Forstmann Little Equity VII and Forstmann Little MBO VIII are affiliated with Forstmann Little & Co., a private equity firm that was formed in 1978 and that has made numerous acquisitions and significant equity investments through several limited partnerships that are ultimately controlled by individual general partners. Upon completion of this transaction, Telmex and Forstmann Little each will hold a non-controlling minority interest in 40 percent of the outstanding equity in XO. No single shareholder will control XO, and it is not anticipated that any other shareholder will hold more than a 10 percent interest in the Company. Because Mr. McCaw currently controls (primarily through control of Eagle River Investments LLC) or has rights to vote shares of common stock that in the aggregate represent more than 50 percent of the voting power of XO common stock, the proposed transaction will result in a transfer of control of XO from Mr. McCaw to the new shareholders of XO.

---

2 47 U.S.C. § 151 et seq.
3 XO Long Distance believes that, to the extent Mr. McCaw holds any equity interest in XO following consummation of the transactions contemplated by the Purchase Agreement, such interest will represent a very small percentage of its voting power (less than 10 percent), and Mr. McCaw will have neither control of XO’s Board of Directors nor the right to elect any of its directors.
This investment in XO is critical to the Company’s financial survival. Funds received from this investment will support the continued development of XO’s network and for general working capital purposes. Consummation of this transaction is subject to regulatory approval and to the successful restructuring of XO’s existing balance sheet.\(^4\) Further detail regarding the transaction, including a public interest statement, is provided in the *Application and Petition for Declaratory Ruling*.

Pursuant to Section 63.18(e)(3) of the Commission’s Rules, XO Long Distance sets forth the following information in support of this Application:

If this occurs, XO Long Distance will submit to the Commission appropriate *pro forma* applications for transfer of control of XO Long Distance to a debtor-in-possession and will amend this Application accordingly.

Parque Via 190  
Colonia Cuauhtemoc

Principal Business: Holding company for telecommunications-related investments
CGT controls Telmex through an approximate 31 percent stockholding (total
capital stock). Approximately 67 percent of the shares of CGT are held in

all of whom are Mexican citizens.

are U. S. citizens.

Forstmann Little & Co. Subordinated Debt and Equity Management Buyout

limited partnership. The general partners of FLC XXXIII Partnership are
Theodore J. Forstmann, Sandra J. Horbach, Winston W. Hutchins, Thomas H.
Lister, Jamie C. Nicholls, and Gordon A. Holmes. With the exception of Mr.
Holmes, who is a citizen of the Republic of Ireland, all of the general partners

Board members for XO as restructured have not yet been elected and thus at this time it
is not clear whether there will be any interlocking directors with foreign carriers. XO
will amend or supplement this Application if any interlocking directors are elected to
XO's Board.
(i) As evidenced by the signature to this Application, XO Long Distance certifies that following consummation of the transaction, XO Long Distance will be affiliated with foreign carriers in Mexico, Argentina, and Guatemala.

(j) As evidenced by the signature to this Application, XO Long Distance certifies that following consummation of this transaction, XO Long Distance will continue to provide international telecommunications services to various foreign countries, including Mexico, Argentina, and Guatemala. As noted previously, after consummation of the transaction between XO, Telmex, and Forstmann Little, Telmex will hold indirectly more than 25 percent of XO. Telmex is a foreign carrier from Mexico and is affiliated under the Commission’s Rules with foreign carriers from Guatemala and Argentina. Specifically, America Telecom, S.A. de C.A., a holding company sharing the same ownership as Carso Global Telecom, controls America Movil, S.A. de C.V., a Mexican telecommunications company that controls Telecomunicaciones de Guatemala, the Guatemalan telecommunications company, and Techtel LMDS Communicaciones Interactivas, S.A. (“Techtel”), a new Argentine competitor.

(k) Mexico, Argentina and Guatemala are members of the World Trade Organization (“WTO”).

(l) XO Long Distance will file quarterly traffic reports as required by Section 43.61(c) of the Commission’s Rules on the U.S.-Mexico and U.S.-Guatemala routes. With respect to the U.S.-Argentina route, a showing that satisfies the requirements of Section 63.10(a)(3) is provided in item (m) below.

(m) XO Long Distance agrees to be classified as a dominant carrier on both the U.S.-Mexico and the U.S.-Guatemala routes. With respect to Argentina, Techtel is a new competitor in Argentina and thus has substantially less than 50 percent market share in the Argentine international transport and local access market. Telmex’s indirect, wholly-owned subsidiary Telmex USA, L.L.C. (“Telmex USA”) is authorized to provide international switched resale services in the U.S. and thus is also affiliated with Techtel. The Commission has not imposed dominant carrier treatment on Telmex USA on the U.S.-Argentina route. See File No. FCN-NEW-20000908-00051. Accordingly, XO Long Distance is eligible for non-dominant treatment on the U.S.-Argentina route as well.

(n) As evidenced by the signature to this Application, XO Long Distance certifies that following the consummation of this transaction, no party to this Application will accept special concessions directly or indirectly from any foreign carrier with respect to any U.S. international route where the foreign carrier possesses sufficient market power on the foreign end of the route to affect competition adversely in the U.S. market, and no party to this Application will enter into such agreements in the future.
(o) As evidenced by the signature to this Application, XO Long Distance certifies that no party to this Application is subject to a denial of Federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988.

(p) XO Long Distance requests streamlined processing for this Application. This Application is eligible for streamlined processing under Section 63.12 of the Commission's Rules because, on every route on which XO Long Distance provides service, either (1) XO Long Distance is not affiliated with a foreign carrier in the destination market; (2) XO Long Distance will be affiliated under the Commission's Rules with a foreign carrier in the destination market following consummation of the proposed transaction, but the destination market is a WTO Member country and XO Long Distance qualifies for a presumption of non-dominance under Section 63.10(a)(4) of the Commission's Rules (i.e., Argentina); or (3) XO Long Distance will be affiliated under the Commission's Rules with a foreign carrier in the destination market following consummation of the proposed transaction, but the destination market is a WTO Member country and XO Long Distance agrees to be classified as a dominant carrier on the route (i.e., Mexico and Guatemala). XO Long Distance represents that its Section 214 authorization will not be transferred unless and until the Commission grants the related domestic Section 214 and wireless license transfer applications, and agrees that streamlined grant of this Application will in no way prejudice the outcome of the related transfer applications. See "International Authorizations Granted," Report No. TEL-00495, DA No. 02-358, released February 14, 2002, at 2 (grant of CEI Networks, Inc. transfer of control application in File No. ITC-T/C-20011227-00655).
For these reasons, XO Long Distance respectfully requests that the Commission grant this Application.

Respectfully submitted,

XO LONG DISTANCE SERVICES, INC.
